

# Available Classes

(Classes are 1 hour in length at a cost of \$15.00 plus the price of the piece you paint unless otherwise stated in the description).

## Sparkling with Glitter

By using "Glamour Dust" you will make your piece sparkle.

## Antiquing

This is one of the three basic ceramic techniques used that is not just for beginners, it's also great for covering those small 'imperfections'.

## Glass Jewelry Making

This is the newest and fastest growing hobby today. See how easy it is to make your own jewelry from glass. (The cost for this class is \$25.00 which covers all materials.)

## Dry Brushing

Another one of the three basic ceramic techniques that is not just for beginner's alone, it

## Water Colors

New and exciting way to paint ceramics using watercolor pencils, yes, pencils. Now it truly is like coloring in a coloring book.

## Garden Characters

What better way to spruce up your yard then with cute garden characters?

## Non-Fired Decals

Any decal can now be used as a non-fired decal, come see this new and exciting technique.

## Airbrush

Bring your own or use ours to learn how to airbrush on ceramics.

## Mix to Create

Create a unique piece by combining more than one item.

## Pastel Caulks

A very soft look that can be used on a lot of different pieces, you'll love the ease and beauty of this technique.

## Easter Eggs

Yes, Easter Eggs... Wait till you see how easy it is to make realistic Easter Eggs that won't spoil and can be enjoyed year round. There's an extra plus with this class, you can take a lot of these techniques and use them on 'real' eggs.

## Let's clay ourselves a tree

You can make Christmas trees with clay puzzling. They are great fun and a wonderful addition for any home.

## Let's glaze a tree green

We will paint a Christmas tree using green glaze. The best part is that the glaze does all the fancy work!!

## Pearls are a girl's best friends

Lets think about making a piece look like pearls! We will be using only pearls to make apiece really glow.

## Clay Flowers

We will be making flowers from clay to add to those plain pieces to make them look special.

## Lace Draping

An old technique that grandma used to add elegance to a simple piece of ceramics; adapted to the 21<sup>st</sup> century.

## Oil Candle Lamp

Create a ceramic candle by using a mini oil lamp

## Marbleizing with Glaze

Make any ceramic piece look like marble using this glaze technique.

## Ceramic Green ware Pumpkin Carving

Halloween's around the corner, lets make our own unique Jack-O-Lanterns...

## Superstrokes

Superstrokes go on just like acrylic paints, the only difference, they are fired and dinnerware safe.

## Clay Slab Work

From a lump of clay, create a work of art, fit for display in any home. (The cost for this class is \$25.00 which covers all materials.)

## Crackle Is In!

You have seen "The Bunny" in the shop, well come join us to learn to recreate this wonderful look.

## Time to play with fire...

Raku is a fired glaze product that requires a special touch. Okay, there's nothing really special about it, just paint it on, heat the piece up and place it in a metal can full of combustible material. Wait 20 minutes and see what comes out. You'll never make the same piece twice. (The cost for this class is \$35.00 which covers all materials.)

## Antique with colors

Yes antiquing can be done in colors!! No more dull brown or blacks. Join us to find out how.

## Gobble platter

Let's get ready for Thanksgiving. We will be antiquing with under glazes, to make a great Thanksgiving table addition.

## The Eyes Have It... (Human Eyes)

A must for every ceramist (they are easier then you think). The piece is included with this class so the cost for this class will be \$25.00.

## Dry brush with a kick

Most of us know how the standard dry brushing is done. But this is something a little different!

## Sand stone and Halloween

We will be using sand stone to make a wonderful look and feel on a pumpkin, for the Halloween season.

## Shaving cream Glazing

This is a wild technique, that is fun and different. But what a beautiful look when it is finished.
