

# *Fund Raising*

Here is a simple fund raiser that is sure to bring a smile to everyone's face...

Schedule a week with us to have members of your school, church or group come in and paint ceramics. All they need to do is come in during the scheduled time and tell us they are part of your organization and Still Mid-Town Ceramics will donate **15%** of the pre-taxed sales back to you.

Not only does it provide you with the opportunity to raise funds towards your goal, but you'll be supporting a local small business and at the same time, encouraging parents to spend some quality time with their children creating memories and keepsakes that they will treasure forever.

We are located at 1230 Noble Street in Anniston and can be contacted at (256) 236-3136.

***Call today to schedule your week...***
